

Your Jar, Your way!

Introducing IDEALPAK's PET Jar with Adjustable Mould

With fixed neck size of 89/400 and fixed outer diameter of 92.3mm, the jar is created to make your customization easier and faster! With the adjustable mold, you can decide the capacity of the jar from 120ml to 900ml by adjusting the height of the jar without extra mold cost.

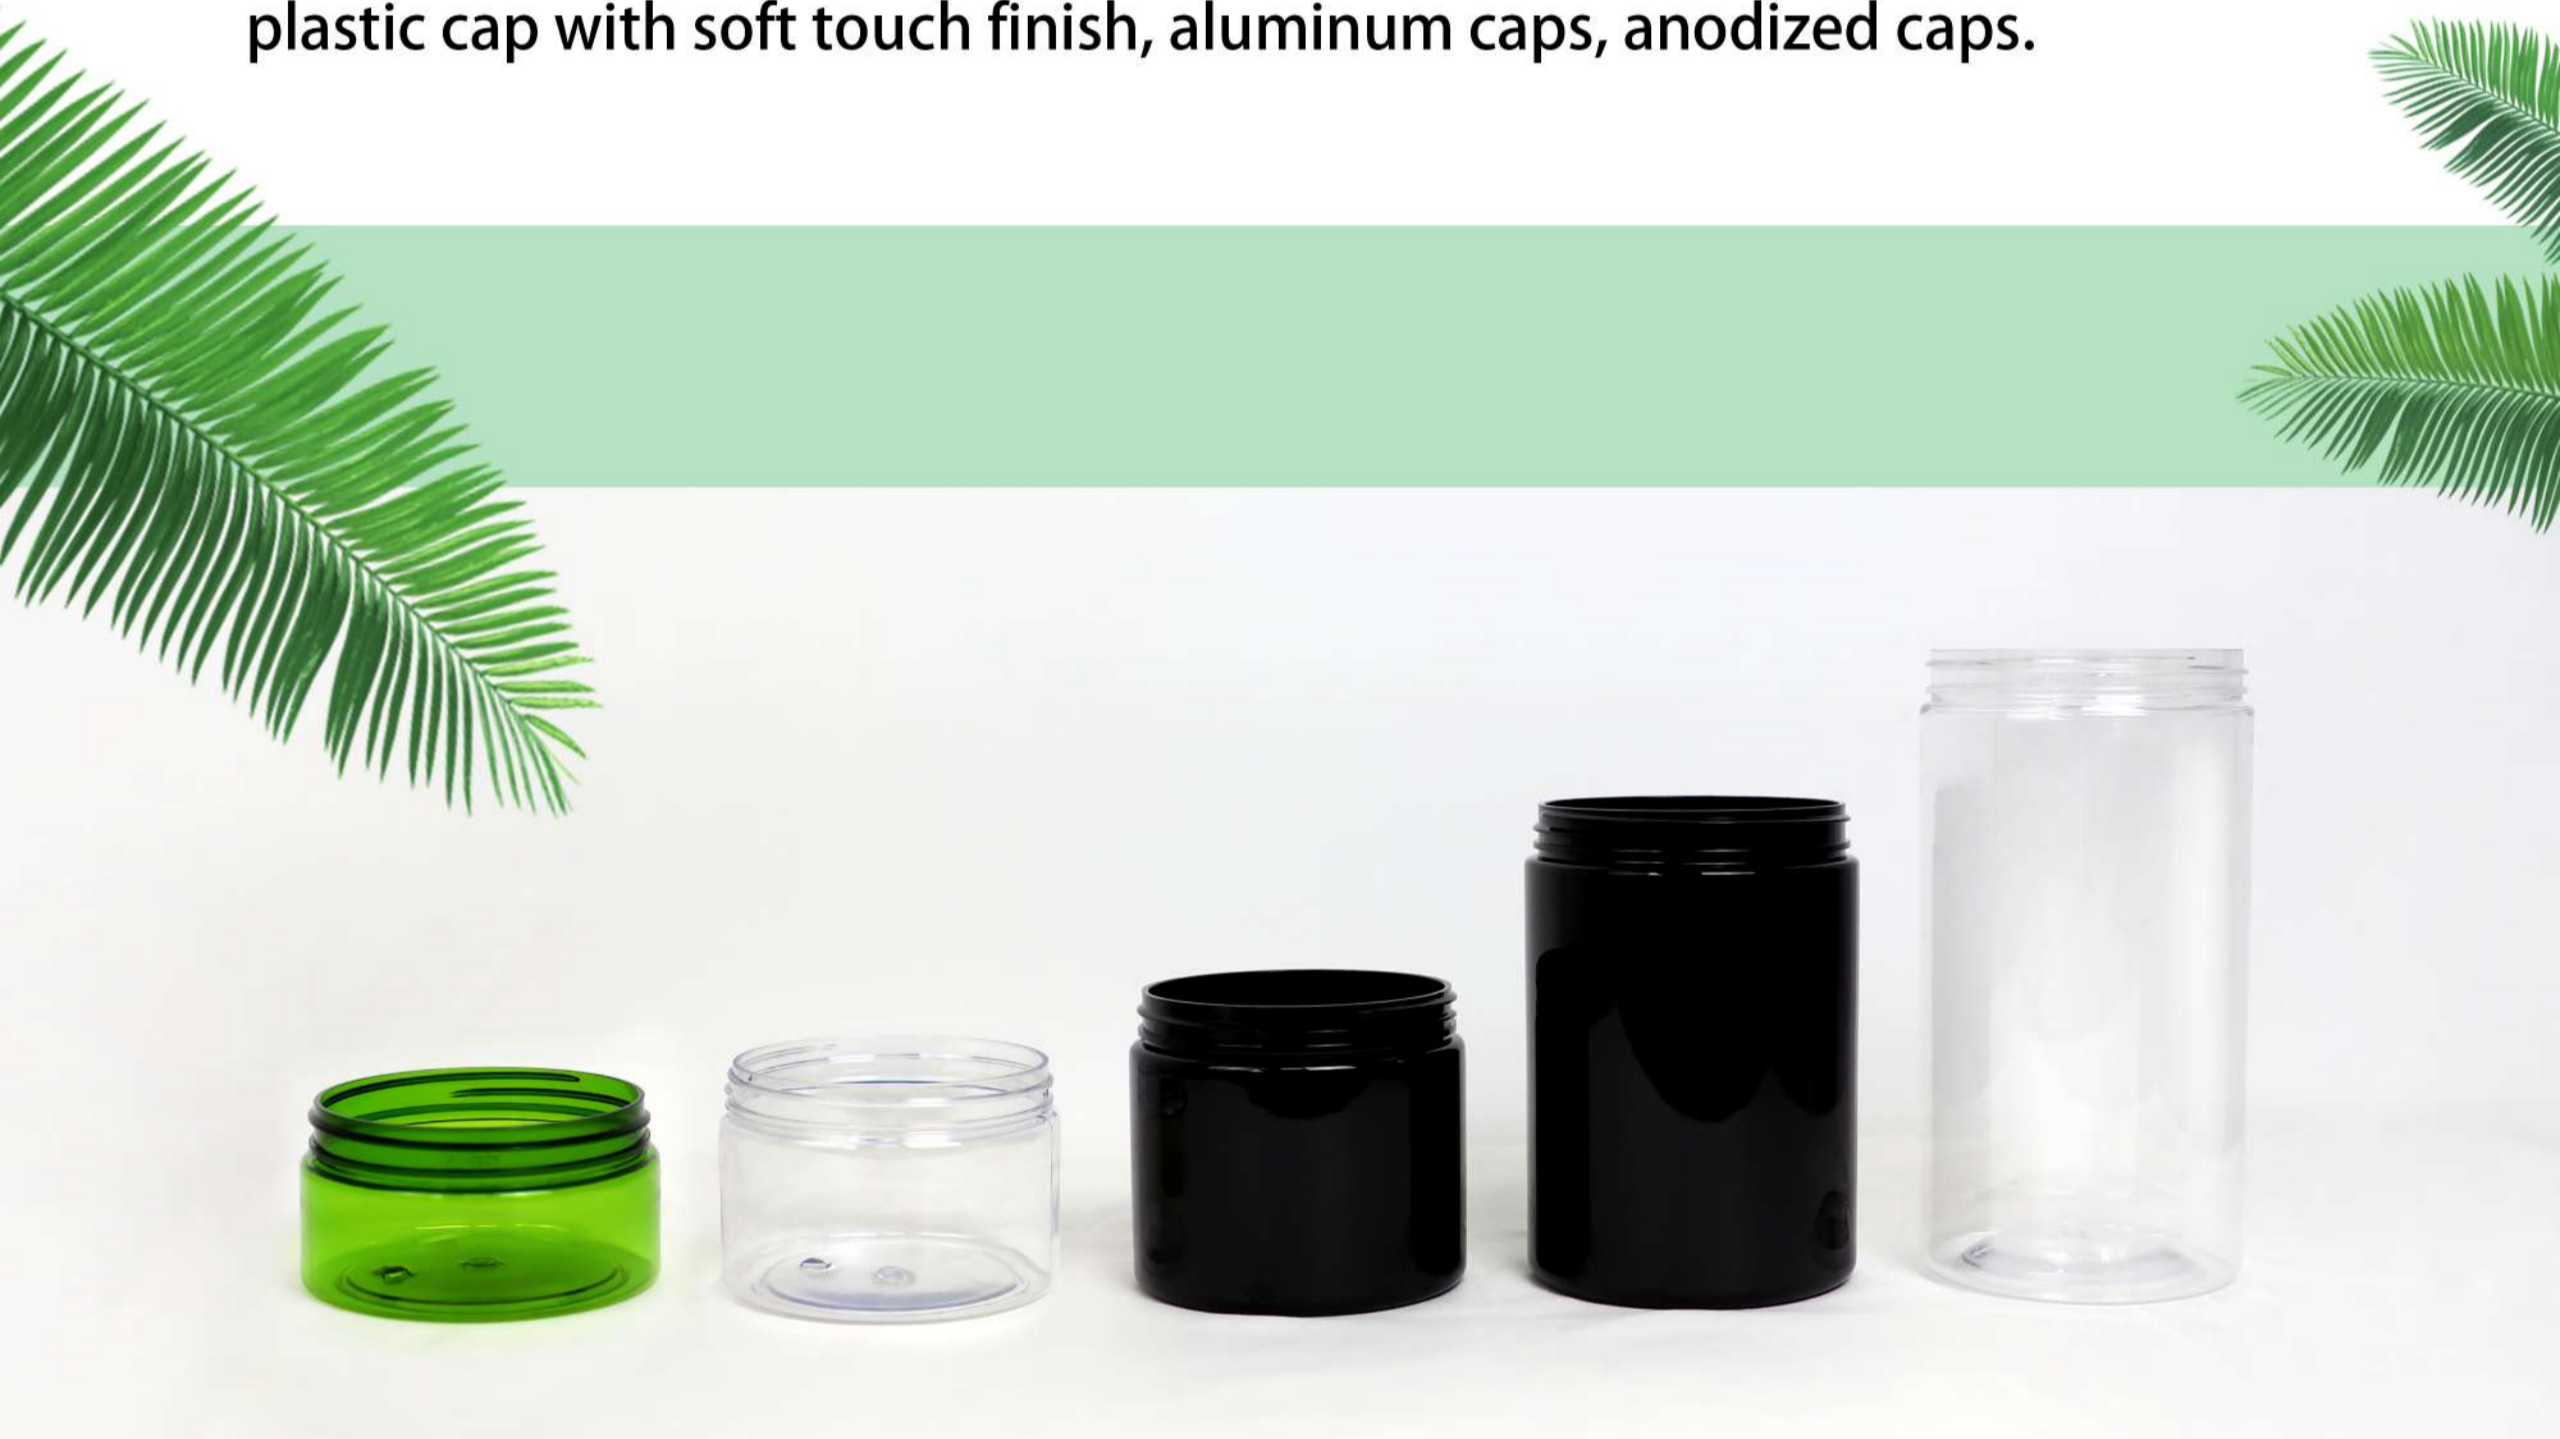

Available decoration options for PET jars:

labeling, silkscreen printing, hot stamping, spray frosting, embossing.

Optional components:

plastic caps, electroplated caps, plastic caps with water transfer printing, plastic cap with soft touch finish, aluminum caps, anodized caps.

Current Available Jar Mold Dimensions:

Model No.	Capacity	Neck Size	Diameter	Height
IEK-027	200ml	89/400	92.3mm	47mm
