

# PETG

- ✓ 100% recyclable
- ✓ High-quality—super clear with good thickness
- ✓ Significantly damage-resistant and chemical-resistant
- ✓ More cost efficient and light-weight compared to PP, acrylic and glass containers

**Colors of the bottles can be customized into any transparent or solid color.**

**Decoration choices: silk printing, hot stamping, labeling, spray painting, frosting**

# **SQUARE / RECTANGULAR**

---

## **PETG BOTTLES**

They can be fitted with dispenser pumps, lotion pumps, sprayers or foam pumps for easy dispensing.
